ORDER:-

In the ref.1<sup>st</sup> read above, the GOI has issued guidelines for implementing “Strengthened and Restructured ICDS Scheme” in a mission mode through a series of programmatic, management and institutional reforms. PARA 5 (ix) (d) of above mentioned guidelines states as follows:-

“The provision of day care crèches is essential for care and development of children in the 6-72 months of age, whose mothers go for work. As a new initiative on experimental basis, 5% of the existing AWCs would be converted into AWC-cum-Creche”.

2. In the ref. 2<sup>nd</sup> read above, the Commissioner, Women Development & Child Welfare Department, Hyderabad has proposed to upgrade 1000 AWCs as AWC-cum-Creche Centres to provide day care facilities.
3. After careful examination of the proposal, the Government hereby accords sanction of 1000 posts of Additional Creche Workers to establish 1000 AWC-cum-Creche Centres. The posts of Additional Creche Workers will be filled up as per existing guidelines for selection of Anganwadi Workers.
4. Further, in view of the fact that in the Chenchu, PTG & the Tribal Habitations, almost all the women necessarily have to go for manual labour for their livelihood, and leave behind their infants & their children in the habitations, and since these areas are also the areas which have significantly high IMR, MMR & low nutrition standards, therefore the selection mechanism for establishing the AWC-cum-Creche Centres will be as follows:
  - a) In the first instance, priority will be given to establishing the AWC-cum-Creche Centres in the Chenchu habitations of Srisailem ITDA and the Chenchu habitations located in other parts of the State.
  - b) After completing action as per the above, the AWC-cum-Creche Centres will be established in predominantly Primitive Tribal Group (PTG) habitations.
  - c) After completing action as per the above, the AWC-cum-Creche Centres will be established in the interior tribal habitations, which are having low IMR, MMR and low nutrition standards.

(PTO)
